

# MY WORLD CLASSROOM SESSIONS

Educator-led sessions in the 'My World Education Centre' are designed to be fun, interactive and curriculum-focused. Many sessions include opportunities for hands-on experiences with live animals and animal artefacts.

£20 per session (maximum 30 students)

## KEY STAGE 3

### ENDANGERED ANIMALS AND THE LAW (CITIZENSHIP/GEOGRAPHY)

This session looks at why trade in endangered species is so damaging and what laws exist nationally and internationally to protect endangered species. There are specific examples about endangered species at Woburn with opportunities for discussion.

### AMAZING ADAPTATIONS (SCIENCE)

What amazing adaptations have animals developed in order to feed, move and avoid predators in their particular habitats? What seasonal changes to the habitat do these animals have to endure and what strategies have they developed to avoid climatic stress?

### VARIATION AND CLASSIFICATION

This session uses live animals and animal artefacts to help introduce animal classification: looking in some detail at invertebrates (insects and arthropods) and vertebrates (fish, amphibians, reptiles, birds and mammals).

## GCSE / AS / A2 LEVEL / POST 16

### ROLE OF A MODERN ZOO

What makes a good zoo? This session discovers the history of zoos, how zoos support conservation, captive breeding programmes, and limitations of ex situ conservation

### EVOLUTION

How have animals evolved to be what they are today? This session looks at Darwin's Theory of Evolution with a focus on the animals at Woburn Safari Park.

### SCIENCE IN THE WORKPLACE

How does Woburn Safari Park use science? This looks at all of the ways science can be used here from captive breeding to skills and qualifications to health and safety.

## SCHOOLS FOR SPECIAL EDUCATIONAL NEEDS

A more 'hands-on' approach to our 'Feathers, fur or scales' session, designed specifically for children with special educational needs.

**Please note: S.E.N. Schools qualify for a 1:2 adult:children ratio. £7.00 each additional adult. Please call the Education Department to discuss specific requirements.**

Talks in the 'My World Education Centre' can be developed on particular topics to suit your requirements. Please call us on (01525) 290991 to discuss your needs.

## GUIDED SAFARI TOURS

Book an educator to help you make the most of your drive around the safari reserves. Discover fascinating facts about all the animals in the reserves and the problems facing their relatives in the wild. Tours are designed to be interactive and informative as well as fun, and are tailored towards the ages of the group.

Educator-led tours last up to 1½ hours. Please ensure that the coach(es) that you book have microphones.

*£1 per child (minimum charge £20)*

## OUTREACH TALKS

(Available September to May)

Covering a range of topics, our Education Officer can talk to your class(es) using fascinating biofacts and images to illustrate the theme(s) of your choice. Our talks are ideal for an assembly or a specific lesson. Outreach talks are available to schools within a 45 minute drive-time of Woburn Safari Park.

*£100 per session (no limit on numbers)*

15% discount available for schools who have booked to visit the Safari Park in the same school year.

## S.N.A.B. DAY

This day programme brings together several elements to fully compliment the SNAB curriculum and applied science courses. A conservation focused guided coach tour of the Safari Drive Through is followed by 'Role of a Modern Zoo' talk. There is a chance to interview keepers about their role in conservation in addition to free time at the Park.

For details on SNAB day costs, please contact the Education Department on Tel: 01525 290991

## BOOKING EDUCATION SESSIONS

Prices for education sessions do not include entrance to the Safari Park; please see the main leaflet for details of these.

Please request the education session(s) that you require at the time of booking your visit. The Education Department will do their best to accommodate you on the date and at the times of your choice but at busy times of the year you may be asked to move your visit to an alternative date. Please note that seven days notice is required for cancellations or else the school will be charged.

For further details please contact the Education Department
